Experience

Peer Mentor

Luddy Living Learning Center • Bloomington, IN
08/2024 - Present

Marketing and Communications Photographer

Luddy School of Informatics, Computing, and Engineering • Bloomington, IN
04/2024 - Present

Photograph Luddy school events and edit and/or retouch them to ensure they are sufficient for usage on social media, website, and other potential marketing medians.

Student Ambassador

Adobe
08/2023 - Present

Plan and execute 4+ Adobe workshops teaching students how to best utilize Adobe applications. Promote Adobe through content creation and advertising through personal social media channels, driving students' awareness and interest

Makerspace Technician

Luddy School of Informatics, Computing, and Engineering • Bloomington, IN
08/2023 - Present

Ensure safety in makerspace facilities—repair and maintenance of tools and hardware. Assist with the safe usage and operation of makerspace tools.

Technology Operations Center

School Town of Munster • Munster, IN
02/2023 - 08/2024

Assisted the technology department with installation, maintenance, and servicing of district technology software, hardware, and various initiatives; Maintained inventory records and repair logs; contacted vendors' technical support centers and scheduled service part deliveries and ensured they were returned to the vendor

Board Member

Pollen Mobile
09/2022 - 12/2022

The Pollen Grants Program funded exceptional partners with early stage ideas that promised to increase the quality, scale, and commercial potential of the Pollen network in a manner consistent with the Pollen Core Values.
